

Placer County
Wastewater Advisory Committee

Placer County Environmental Health ♦ 3091 County Center Dr. Suite 180 ♦ Auburn, CA 95603

AGENDA

September 1, 2009

4:30 p.m. to 6:30 p.m.

CDRA Cypress Room

I. Call to Order

II. Preliminary Items

- A. Roll Call and Determination of Quorum
- B. Introduction of Members and Guests
- C. Minutes Review
- D. Agenda Review

III. Action Items

A. Review of On-site Sewage Manual Draft Revisions

- Chapter 34 to end (Attached), Note: Chapter 41: Definitions, has already been reviewed by the WAC

B. Subsurface Drip in 30% Slope

Read and discuss staff report and proposed Manual language regarding Subsurface drip in steep slopes. WAC to make recommended changes or approve proposed language for the manual.

Attachments:

1. Staff Report: Subsurface Drip in Steep Slopes

C. Pretreatment Unit Disinfection

Consider a request to allow pretreatment unit manufacturers to specify the type of disinfection system they use in their units, and not allow EHS to specify the brand or model of the device. The WAC to make a recommendation to EHS regarding their decision.

Attachments:

1. Bill Carpenter Request Regarding Disinfection

2. Placer County Draft Approval for UV Disinfection

IV. Non Action Items

A. Correspondence and Public Comment

1. Letter from Mr. Carpenter to the Placer County Board of Supervisors Concerning Onsite Sewage Ordinance Revisions

B. Legislative Update

C. Request for Feedback on the County Website

V. Agenda Preparation for Next Meeting

VI. Adjourn

CANCELLED
